Faculty of Architecture

Architecture, Urban and Regional Planning

Faculty of Aeronautics and Aerospace

Aeronautical and Aerospace Engineering

Administrative units (STT)

International Relations / Erasmus Office, Student Affairs, IT Department, Library and other units

Mobility period and duration

PERIOD

- Second (Spring) semester 2026–2027; all mobilities must be completed **before 31 July 2027.**
- GAUN Spring Semester: late February to June 2027 (Ramadan 2027 around February–March).
- Exact dates to be agreed with GAUN and the receiving supervisor or unit.

DURATION

- PhD students: **2 full months.**
- Staff: at least **5 consecutive working days**, not counting travel days.
- STA: at least 8 teaching hours per week, during the teaching period (4 hours if combined with training).

Eligibility conditions

- **PhD students:** be regularly enrolled in a PhD at USTO-MB in 2026–2027, in a field related to one of GAUN's host fields.
- **Staff:** be employed at USTO-MB. STA is for academic staff; STT gives priority to administrative staff.
- **Language:** minimum English level B1.

Erasmus+ grant

€800 / month

PhD students

So €1,600 for 2 months. +€250 / month for PhD students with a documented disability.

€140 / day

Staff

Plus up to 2 travel days with travel documents. Example: 5 days + 2 days = €980.

Travel support

PhD students and staff

Round-trip contribution based on the Oran–Gaziantep distance (EU Distance Calculator).

Application procedure

Applications must be submitted **exclusively online** through the USTO-MB Erasmus+ platform:

PhD students	form.univ-usto.dz/mobilite-erasmus
Staff (STA and STT)	form.univ-usto.dz/erasmus-ats-ens

No paper applications will be accepted. Incomplete or late applications may be rejected.
