Educational teaching program

- Common core in sport science and technology of physical activities

SEMESTER 1	Teaching units	
	English 1	History and-philosophy of APS (physical and sport activities)
	Athletics1	- Introduction of the field of STAPS 1
	Anatomy	Research methodology
	Gymnastics1	- sport psychology
	Basketball	Biochemistry

SEMESTER 2	Teaching units	
	Athletics 2	General physiology
	Morphology	Techniques and tools of scientific research
	Gymnastics 2	Sport sociology
	swimming	Science of education
	Volley ball	Introduction of the field of STAPS 2

• Physical education and sport

• Educational teaching program

SEMESTER 3	Teaching units	
	Physical culture 1	Football
	Judo	Developmental psychology
	Handball	Measurement and sport evaluation
	Applied statistics	Education didactics in physical and sport activities
	Biomechanics	English for specific purposes (ESP)

SEMESTER 4	Teaching units	
	Physical culture 2	Sports injuries and first aid
	Karate	Practical pedagogy
	FootBall	Theories and methodology of physical education
	Research project	Application and technological programs in sport
	Physiology and sport performance	Professional ethics

• Physical and sport education

Specialization : Education and motor skills

SEMESTER 5	Teaching units	
	Team sport 1	Talent selection and sports career guidance
	Individual sport 1	Teaching methods and techniques
	Motor skills	Entrepreneurship in sport
	Practical internship 1	Teaching and training program
	Teaching units	Teaching units

SEMESTER 6	Teaching units	
	Team sport 2	Practical internship 2
	Individual sport 2	Thesis or desertation

• Sports training

Competitive sports training track

SEMESTER 3	Teaching units	
	Physical culture 1	Theories and methodology of physical education
	Judo	Developmental psychology
	Handball	Education didactics in physical and sport activities
	Applied statistics	Measurement and sport evaluation
	Biomechanics	English for specific purposes (ESP)

SEMESTER 4	Teaching units	Teaching units
	Football	Research project
	Karate	Application and technological programs in sport
	Physical culture 2	Physiology of physical effort and sports
	Planning and programming of sports training	Sports injuries and first aid
SEMESTER 5	Pédagogie pratique	Professional ethics

Physical and sport education

Specialization : Education and motor skills

SEMESTER 5	Teaching units	Teaching units
	Team sport 1	Talent selection and sports career guidance
	Individual sport 1	Teaching methods and techniques
	Motor skills	Entrepreneurship in sport
	Practical internship 1	Teaching and training program
SEMESTER 6	Teaching units	Teaching units

SEMESTER 6	Teaching units	Teaching units
	Team sport 2	Practical internship 2
	Individual sport 2	Thesis or desertation

Doctoral training

Total number of doctoral students : 32

Number of supported students : 16

N	Project manager	Course title	domain	field	specializations	Academic year	Students number	Number of supported students
01	Mr GASMI BACHIR	Physical activity and sports for children and adolescents	STAPS	Educational physical activity and sports	Physical activity and sports for children and adolescents	2015/2016	6	6
