

الجمهورية الجزائرية الديمقراطية الشعبية  
Ministry de higher education and scientific research

University of Sciences and Technology  
of Oran, Algeria.

Material Physics and Fluids  
Laboratory –USTO-MB

***National Conference on Material Physics and Fluids (CPMF-2022)  
In the prestigious city of Oran (Algeria), On December 12 to 14, 2022.***

**Research areas: Plasma and energy conversion  
Responsible: Pr. Hiadsi Said**

**Plasma and energy conversion include:**

1. Plasma and energy conversion;
2. Dielectric barrier discharge;
3. Plasma and laser processes;
4. Pulsed laser removal and deposition;
5. Micro laser machining;
6. Spectroscopic analysis technique
