

Topic 1: Removal of various metallic pollutants using different extraction techniques: liquid-liquid, solid-liquid, two-aqueous phases, membrane extractions, etc.

Topic 2: Development of metal complex-based catalysts and their application in chemical reaction engineering.

Topic 3: Synthesis, structural analysis and medical applications, in therapeutics and diagnostics, of chelating ligands and various metallic complexes.

Topic 4: Metallic complexes in the Development of lithium-ion batteries and redox batteries; modified electrodes; Fuel cells.

Preamble

The first National Congress entitled "Metal Complexes and their various Applications" is motivated by the importance of metal complexes and the crucial role they play in the chemical industry and living organisms. Their unique properties make them indispensable in a wide range of applications, from industrial catalysis and organic synthesis to medical imaging, medicine and pharmacology, materials science and energy storage. The **1st NCMCA 2026** will serve as a platform for exchange and collaboration between researchers, teacher-researchers, doctoral students, engineers and other experts in chemistry, at the national level, on Coordination Chemistry and Metal Complexes and their Applications in all of these major and innovative fields.

Registration Fees

PhD Student	3000 DA
Academic Researchers	6000 DA
Industrialists	9000 DA
Stands	5000 DA

Registration fees doesn't cover the participant accommodation

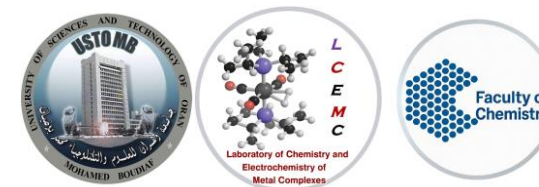

Registration fees for NCMCA 2026 include :

- Conference materials and documentation, coffee breaks and lunch provided throughout all the conference days.
- Certificate of attendance, signed by the conference president.

ABSTRACT SUBMISSION

Abstracts submitted to the 1st NCMCA 2026 Congress are examined by the scientific committee.

Abstracts must be submitted exclusively via the following at the link

https://docs.google.com/forms/d/e/1FAIpQLSfprBu7aPvvlfEbn9q4UDoi2PdFahZ4DHGUOPnDn6i43_41Yg/vj_ewform?usp=header&pli=1&authuser=0

Authors: Centered, Times New Roman 12, speaker's name underlined.

Affiliations: Centered, Times New Roman 10.
Email: Centered, Times New Roman 11.

Abstract: 300-350 words, justified, Times New Roman 12, 1.5 line spacing.

Keywords: 3-5 words, Times New Roman 12.

Language: English or French.

Posters: Size 80 cm x 100 cm.

IMPORTANT DATES

-Deadline for submission of abstracts:
