## APPLICATION

Your university should send your nomination to the address [erasmusKA107@kg.ac.rs](mailto:erasmusKA107@kg.ac.rs) by May 31 (winter semester) or November 30 (summer semester).

After receiving nomination from your home university, we will contact you directly via email provided by your home university in order to start the application and selection process here. To do that we would need a few documents:

1. **PRELIMINARY LEARNING AGREEMENT:** we will send you the form. Please, check out our Course catalog available for international students → <http://www.kg.ac.rs/eng/courses.php>

\* For students coming from neighboring countries → complete academic offer in Serbian language is also available for exchange students. Please, check the website of the respective host faculty.

2. **ENROLLMENT CERTIFICATE:** issued by your home faculty, confirming your student status.

3. **TRANSCRIPT OF RECORDS:** send us your latest Transcript of Records (list of passed exams) in original language and translation in English language (your Transcript doesn't have to be officially translated by a court translator, you can translated it by yourself, but we will be needing the original document as well).

For students coming from neighboring countries → due to language similarities no English translation is needed.

4. **LANGUAGE CERTIFICATE** (English language or other language in which you will study during your mobility), proving your language competences are at **min. B1 level**. We don't require the official internationally recognized certificates (such as TOEFL or IELTS), so you can send us a certificate issued by your faculty. For students coming from neighboring countries → no Language certificate is needed if Serbian is the language of your mobility.

5. **PASSPORT:** send us a copy of your passport

# LEARNING AGREEMENT

Before you prepare your Learning Agreement (LA) check the [Course Catalogue](#) (the list of elective subjects for Erasmus students). The requested range is between 20 and 30 ECTS (the maximum number is 30 ECTS per semester)

You should send your Learning Agreement (signed by you and your Coordinator) to the address [erasmusKA107@kg.ac.rs](mailto:erasmusKA107@kg.ac.rs) by the deadline stated in our initial email.

Once your LA is signed by the Erasmus+ academic Coordinator at your host faculty here, you will get the scan version of this document by email.

## VISA/INVITATION LETTER

Whether you require a visa or not, you will receive all the necessary information regarding travel to Serbia.

Depending on your country of origin, you may need to apply for a visa in advance, or you may be required to apply for a residence permit upon arrival at the University of Kragujevac.

In both cases, you will receive an Invitation/Acceptance Letter from our side containing all the relevant details.

## ACCOMMODATION

Due to limited capacity, places in our dormitories are not available for international students. Therefore, all international students arrange private accommodation.

The International Relations Office of the University of Kragujevac will be happy to provide guidance and support in finding suitable housing.

# ONLINE LINGUISTIC SUPPORT AND THE EU ACADEMY

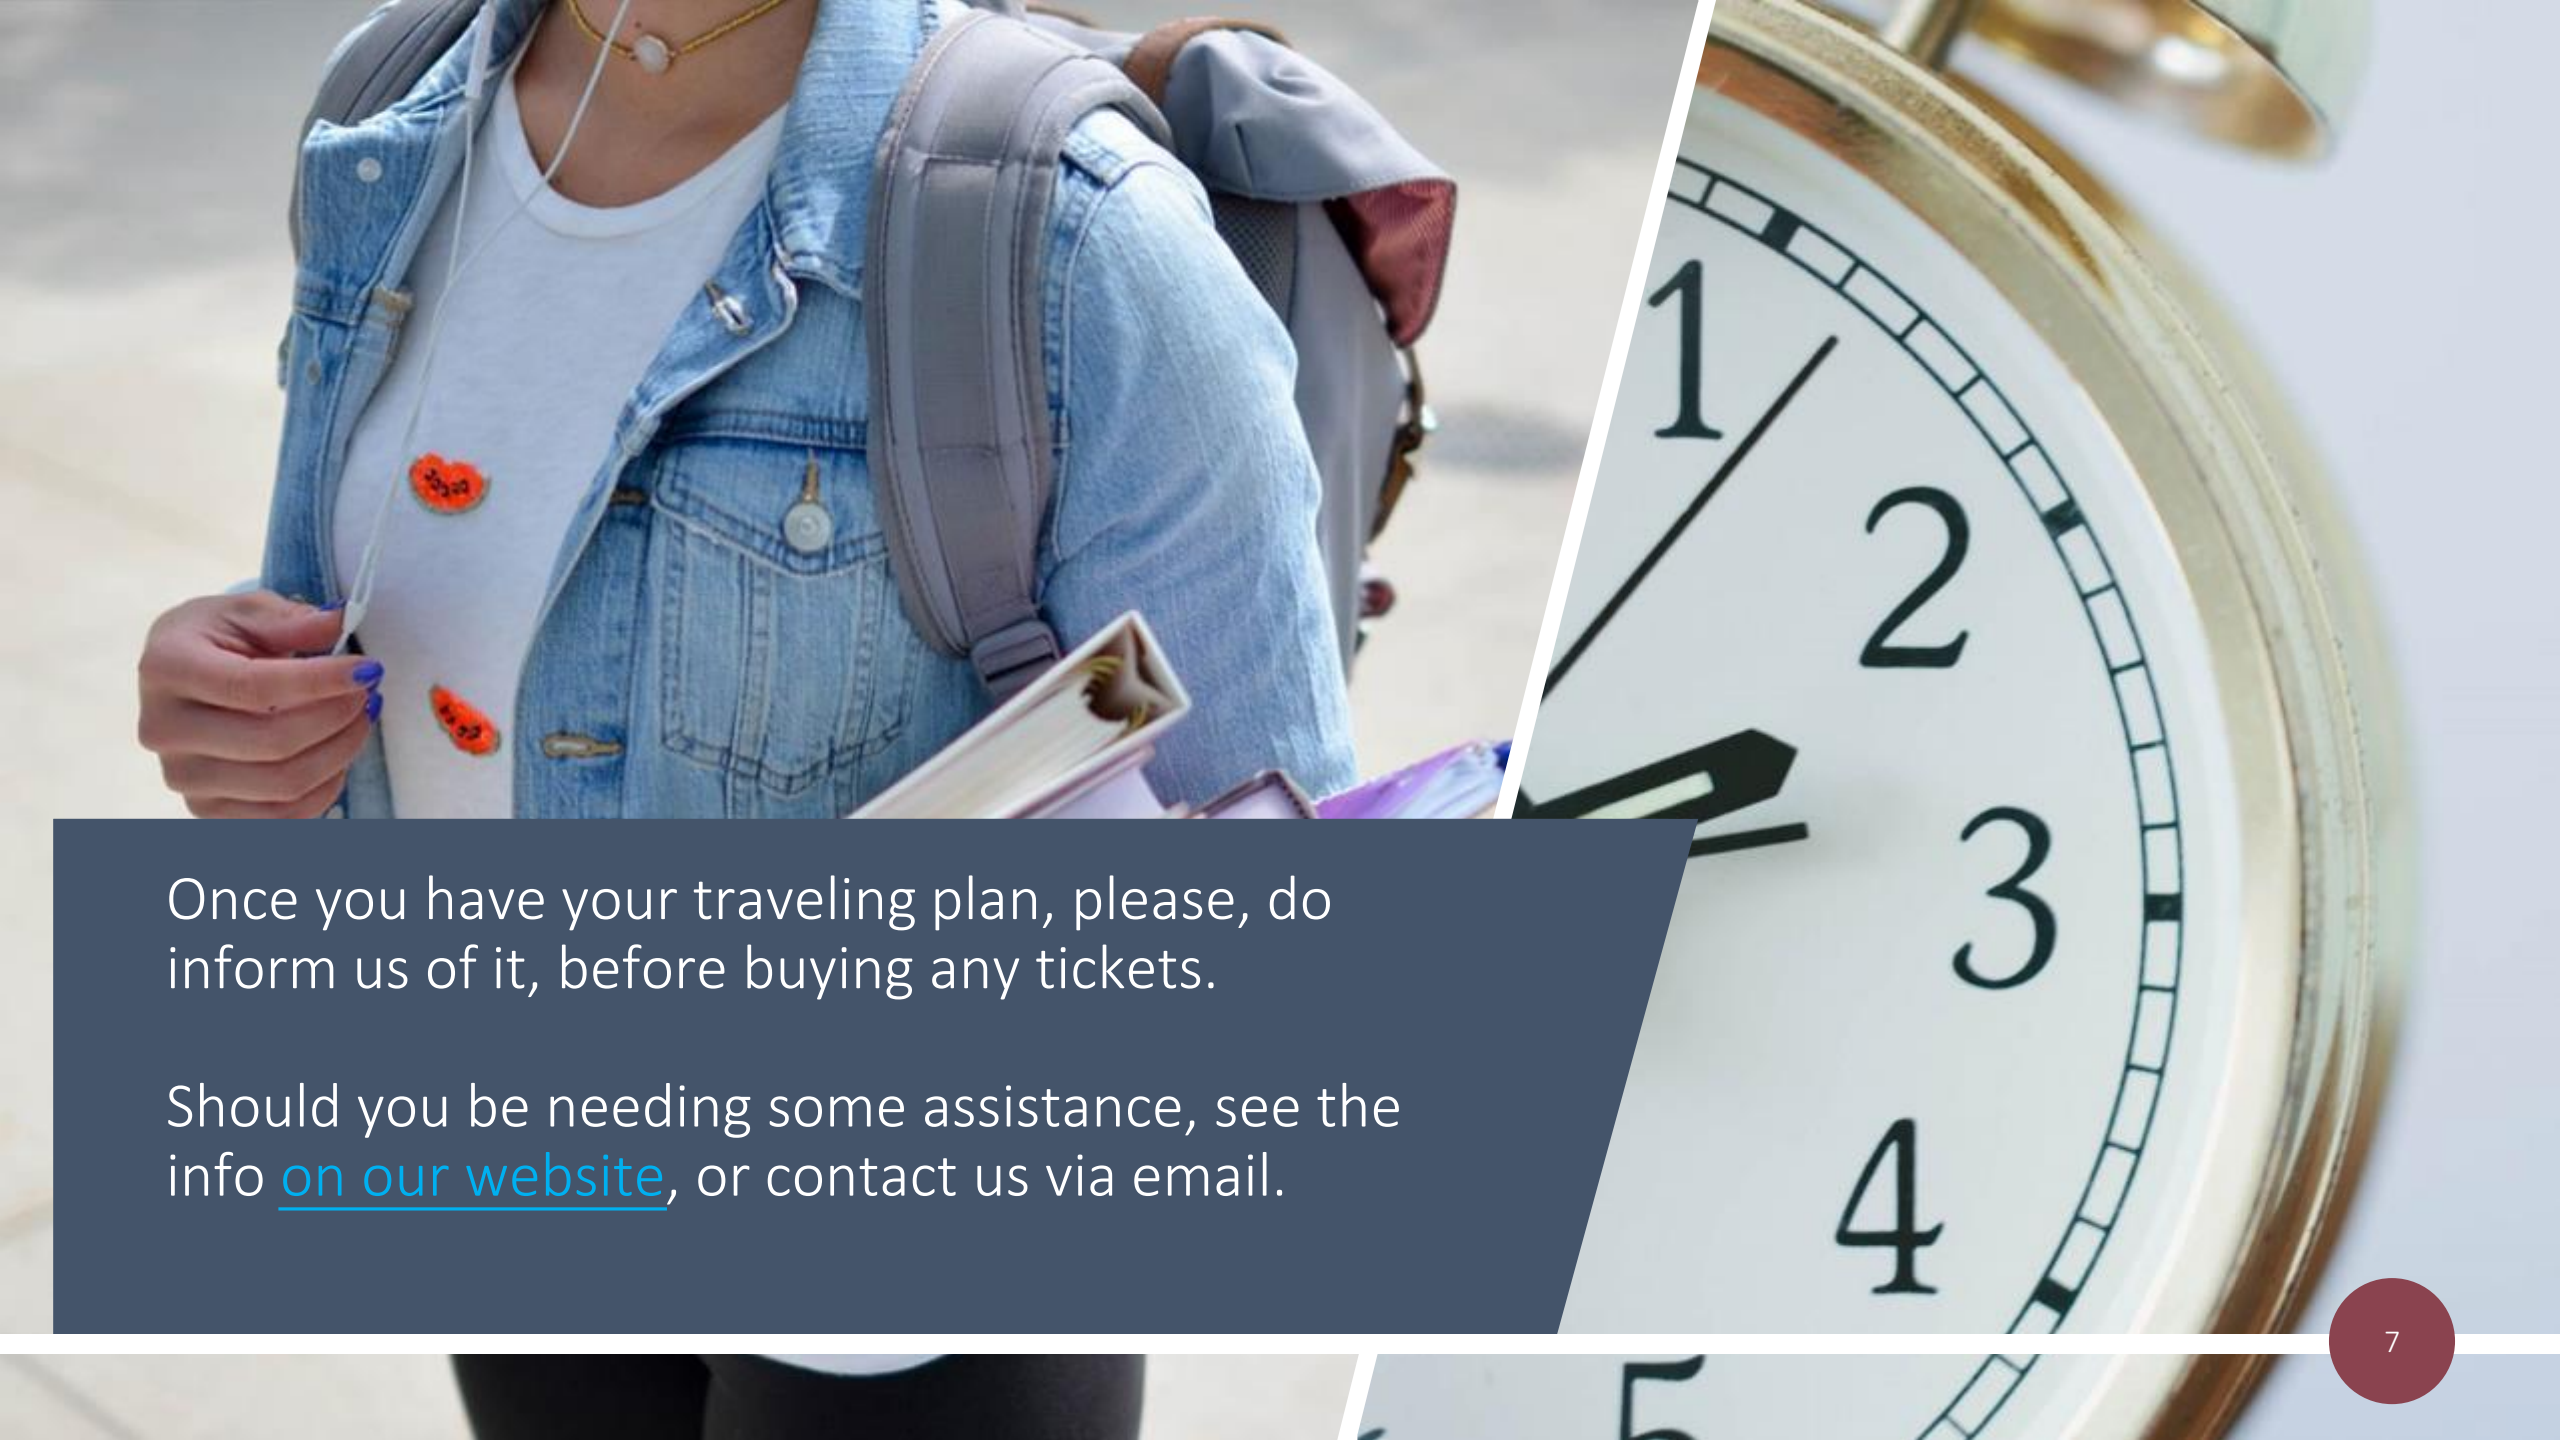

All International students are obliged to take the Placement test on the [EuAcademy portal](#) at the start and at the end of their mobility. The partaking in the course itself after finishing the placement test is also highly recommended. After finishing the test, you are to send us the pdf version of the certificate that can be downloaded upon completion via e-mail - [erasmusKA107@kg.ac.rs](mailto:erasmusKA107@kg.ac.rs)

Please note that the said certificate cannot be used in place of the Language Certificate which is necessary during your application procedure.
